Called Next Week

Trial of Caleb Powers to Begin in the Scott Circuit Court

The case of the Commonwealth against Caleb Powers, charged in the Goshal murder conspiracy, is due to be called in the Scott Circuit Court next week, when the regular February term begins.

There is some question of who will preside as Judge when the case again comes to trial. It cannot be tried at the regular February term, it being of only three weeks duration.

Special Judge Joseph E. Robbins of Mayfield presided at the last trial under appointment by the Governor, there being objection to Judge Cantrill.

Since that time Judge Stout has succeeded Judge Cantrill as regular Judge of the Court.

Judge Robbins does not desire to again sit in the case, and if the question is raised of who has authority to try the case he will resign any commission he may hold in the case.

The Harrison County Republican Committee has endorsed the candidacy of James T. Wilson for the office of Postmaster at Cynthiana.

Rev. H. T. Reed, a member of the graduating class of 1906 of Kentucky Wesleyan College, Winchester, is now the Principal of McLain Training School in Sunkong, China.

CARNATION LEAGUE

Wearing of President McKinley's Favorite Flower Yesterday

Pink carnations were pinned to the coats of many Maysvillians yesterday. It was the 64th birthday anniversary of the martyred President. The pink carnation was his favorite flower. The custom of wearing a carnation on his birthday anniversary was originated five years ago by L. G. Reynolds of Dayton, O., an ardent admirer of the late President. The custom spread throughout the country, resulting in the organization of the Carnation League of America, devoted to keeping forever green the memory of President McKinley.

So general has the custom become that florists each year make advance preparations for a large stock of pink carnations, and seldom is the supply greater than the demand.

Thousands upon thousands of the pretty flowers this year offered up their fragrance as incense to the memory of the Chief Executive who sleeps in Canton.

Beware of Ointments For Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

WOMEN'S WOES.

Maysville Women are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Reckless remedies for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. J. B. Gibson of 22 East Fourth street, Maysville, Ky., says:

"The prompt and thorough action of Doan's Kidney Pills should recommend them to everyone suffering from backache or kidney troubles. I have known the value of this remedy for several years. Its use in my case proved to me that it is a reliable kidney cure and cannot be excelled for backache or weakness of the kidneys. I have recommended Doan's Kidney Pills before and I should advise every sufferer to get a supply and try them."

For sale by all dealers. Price 50 cents per box. Foster-McIlburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
